

Wraparound care

At Oxley Primary School, we provide a breakfast club and numerous after school activities. In addition, we work closely with all our feeder nursery settings who also provide before and after school care.

Parents have the right to request further childcare at the school. Such childcare, if provided, may incur a charge to cover running costs. If you wish us to consider a request, please do so in writing (by letter or email or via school-run parent surveys) and date the request, so that the school can log requests and keep a record. In order to make a decision, we would require the following information:

- the type of childcare requested
- age range of the children requiring wraparound or holiday childcare
- when provision is most needed

The school sets a threshold for considering requests. Once the threshold has been reached, the school's Governing Board will consider the request(s) and make a decision. We will need to establish whether there is wider demand for the provision and if it will be viable. Parents / providers will be informed of the decision.

For further information and support, please see DfE guidance:
